

UNIVERSITY OF PENNSYLVANIA
Curriculum Vitae

Date: December 8, 2000

Frank Fisher Davidoff, MD, FACP

Home Address:

Office Address:

American College of Physicians-American Society of Internal Medicine
190 North Independence Mall West
Philadelphia, PA 19106-1572

Social Security Number:

Education:

1955 A.D. Harvard University, Boston, MA (magna cum laude)
1959 M.D. Columbia University, College of Physicians and Surgeons
1959 Predoctoral Fellow, National Foundation, with Dr. Donald Tapley,
Columbia University, College of Physicians and Surgeons

Postgraduate Training and Fellowship Appointments:

1-1960	Intern, Massachusetts General Hospital, Boston, MA
1960-1961	Assistant Resident, Massachusetts General Hospital, Boston, MA
1-1964	Commissioned Officer, U.S. Public Health Service Research Associate, National Institute of Health, National Heart Institute, Bethesda, MD, with Dr. Edward Korn
1-1965	Senior Resident in Medicine, Massachusetts General Hospital, Boston.
1-1966	Research Fellow in Medicine, Endocrine Unit, Massachusetts General Hospital, Boston, MA

Military Service: 1961-1964 U.S. Public Health Service, Heart Institute, National
Institutes of Health, Bethesda, MD

Faculty Appointments:

1966-1969	Associate in Medicine, Harvard Medical School and Beth Israel Hospital, Boston, MA
1-1971	Assistant Professor of Medicine, Harvard Medical School and Beth Israel Hospital
1-1974	Associate Professor of Medicine, Harvard Medical School and Beth Israel Hospital
1-1987	Professor of Medicine, University of Connecticut School of Medicine
1-1982	Visiting Scientist, Massachusetts Institute of Technology
1-1988	Clinical Professor of Medicine, University of Connecticut School of Medicine
1988-	Adjunct Clinical Professor, University of Pennsylvania School of Medicine

Frank Davidoff, MD, FACP
Curriculum Vitae
Page 2

Hospital and Administrative Appointments:

1-1974	Chief, Diabetes Unit, Beth Israel Hospital, Boston, MA
1-1974	Acting Chief, Endocrine-Diabetes Unit, Beth Israel Hospital
1974-1978	Chief, Medical Service, University of Connecticut Health Center, Farmington, CT
	Member, Medical Board, University of Connecticut Health Center
1-1982	Chief, Division of General Medicine, University of Connecticut School of Medicine
	Program Director, Internal Medicine Residency, and Director, Advanced Internal Medicine Residency, University of Connecticut School of Medicine
1-1987	Chief, Department of Medicine, New Britain General Hospital, New Britain, CT
1-1995	Senior Vice President, Education, American College of Physicians
1995-	Editor, <i>Annals of Internal Medicine</i>

Specialty Certification: 1996 American Board of Internal Medicine

Licensure: .Pennsylvania

Awards, Honors and Membership in Honorary Societies:

1959	Alpha Omega Alpha, National Medical Honor Society
1980	Fellow, American College of Physicians
1988	Fellow, College of Physicians of Philadelphia
1994	Laureate Award, ACP Eastern Pennsylvania Chapter
	President's Award, American Medical Informatics Association
1995	American Lung Association of Connecticut Humanitarian Award

Memberships in Professional and Scientific Societies (Including offices held):

National Societies:

American Federation for Clinical Research
 American Society for Clinical Investigation (Senior Member, 1979)
 Society of General Internal Medicine [Founding Member; Chairman of Nominating Committee (1979); Council Member (1982-84); Committee on Technology Assessment; Co-chairman, Committee on the Role and Future of the General Internist (1985-86)]
 Society for Medical Decision Making
 American College of Physicians, Council of Medical Societies
 Council of Biology Editors
 Royal College of Physicians and Surgeons
 Medical Administrators Conference
 American Association for the Advancement of Science
 Physicians for Human Rights
 Association for Patient-Oriented Research

Editorial Positions:

Manuscript Reviewer for:
New England Journal of Medicine
Journal of Clinical Investigation
Journal of Biology Chemistry
Journal of the American Medical Association
Annals of Internal Medicine
Journal of General Internal Medicine

Book Reviewer for:
 American College of Physicians Observer

Editorial Board:
Journal of General Internal Medicine

Advisory Review Board:
 Academic Medicine (Supplement)

Publications Committee:
 American Academy of Physicians and Patients

Academic Committees at the University of Pennsylvania and Affiliated Hospitals:
 None

Major Teaching and Clinical Responsibilities for the University of Pennsylvania and Affiliated Hospitals:
 1. Teaching and supervision of medical residents

Lectures by Invitation:

	June 1992	Laurie-Benz Harris Lecture, Wichita, KS
	September 1993	Mahlon H. Delp Lecture, Wichita, KS
	June 1994	Symposium in Honor of Martin Floch, Norwalk, CT
	July 1994	Physicians – Practicalities, Problems and Perspectives, Royal College of Physicians, London
Framework	September 1994	British Continuing Medical Education: A for the Future, Royal Society of Medicine, London
	March 1995	CME for Europe, Postgraduate Medical Foundation, London
	May 1995	Evidence Based Medicine, Annual Chapter Meeting, ACP Maryland Chapter
Hospital	September 1995	Evidence Based Medicine, New Britain General
Based	February 1996	In the Teeth of Evidence: An Argument for Evidence Medicine, Chicago Society of Internal Medicine
		Living in Medical Cyberspace, Illinois Masonic Medical Center
	April 1996	Is Basic Science Necessary? Alpha Omega Alpha Medical Honor Society
	July 1996	Who Has Seen a Blood Sugar? North Shore University Hospital
Institute	September 1996	Databases in the Next Millennium, Regenstrief for Health Care

Lectures by Invitation: (continued)

Managed Care,	September 1996	The Doctor-Patient Relationship in an Era of
		Albany Medical Center
	November 1996	Evidence Based Medicine, Annual Chapter Meeting, ACP Mexico Chapter
	March 1997	Evidence Based Medicine, Mt. Sinai Hospital, New York NY
Meeting, ACP	September 1997	Evidence Based Medicine, Annual Chapter
		Florida Chapter
Evidence	October 1997	In the Teeth of Evidence: Why All the Fuss about
Medicine		Based Medicine? Francis A. Countway Library of
		Boston, MA
		Medical Manpower, Annual Chapter Meeting, ACP Arizona Chapter
	November 1997	What's New in Information? Evidence Based Medicine, Annual Chapter Meeting, ACP Arizona Chapter
		Critical Appraisal: How to be a Professional Skeptic, Nassau County Hospital, New York, NY
		Trial and Tribulations in Medical Editing and Medical Practice, Long Island Jewish Medical Center, New York, NY
	December 1997	Medical Decision Making in the 21 st Century, Norwalk Hospital, Norwalk, CT
Specialists	February 1998	The Quality of Evidence on the Care Provided by
Grove,		vs. Generalists, ASP Leadership Conference, Coconut
		FL
CA		The Natural History of a Paper, CBE Retreat, Berkeley,
Invisible	March 1998	Who Has Seen a Blood Sugar? The Shaping of the
CT		World in Medicine, New Canaan Library, New Canaan,
		Evidence Based Medicine: Why All the Fuss? Mayo Clinic, Rochester, MN
Meeting,	May 1998	The Natural History of a Paper; Bias, CBE 41 st Annual
		Salt Lake City, UT
		Evidence Based Medicine: Why All the Fuss? 11 th Annual James F. Sullivan Visiting Professorship, Creighton University, Omaha, NE
		Online Biomedical Knowledge for 21 st Century Clinicians, Medical Library Association, Philadelphia, PA
	October 1998	Context Markup, Dalhousie University, Halifax, ON
	December 1998	Ethical Principles in Health Care, Institute for Healthcare Improvement Annual National Forum, FL
	April 1999	Ethics in Biomedical Publication, Visiting Professorship, University of North Carolina, Chapel Hill, NC

	March 2000	Evidence Based Medicine: Why All the Fuss? AOA Dinner
	April 2000	Grand Rounds, Duke University, Durham, NC
Education		Medical Education, Keynote Address at Medical
		Conference, University of Nijmegen Medical School, Amsterdam
Frank Davidoff, MD, FACP		
Curriculum Vitae		
Page 5		
<u>Lectures by Invitation:</u> (continued)		
	October 2000	Diagnostic Testing: Sensitivity, Specificity and Predictive Value, Robert L. Evans Memorial Lecture, York Hospital, York, PA
<u>Organizing Roles in Scientific Meetings:</u>		
	June 1997	Big Five Journal Conference, facilitator, London, UK
	September 1997	International Congress on Biomedical Peer
Review, co-author		
		and facilitator, Prague, CK
UK	February 1998	Unified Code of Ethics, co-author and facilitator, London,
	April 1998	Council of Biology Editors Retreat, facilitator, Berkeley, CA
DC		Vancouver Group, co-author and facilitator, Washington,
	October 1998	<i>Annals of Internal Medicine</i> , sponsor of the Cochrane Colloquium, Baltimore, MD
	November 1998	Council of Biology Editors Retreat, Authorship Taskforce Chair, Warrenton, VA
	December 1998	<i>Annals of Internal Medicine</i> , sponsor of the Institute for
Health		
		Care Improvement's National Forum on Quality Improvement in Health Care, Orlando, FL
	May 1998	Council of Biology Editors Retreat, Authorship Taskforce Chair, Montreal, CA
	August 1999	Geriatrics Educational Retreat, facilitator, Jasper, Alberta,
CA		
	October 1999	<i>Annals of Internal Medicine</i> , sponsor of the 7 th
International		
		Cochrane Colloquium, Rome, Italy
	December 1999	<i>Annals of Internal Medicine</i> , sponsor of the Institute for
Health		
		Care Improvement's National Forum on Quality Improvement in Health Care, New Orleans, LA

Bibliography:

Research Publications, peer reviewed (print or other media):

Tapley DF, Davidoff E, Hatfield WB, Ross JE. Physiological disposition of D- and L-thyroxine in the rat. *Amer J Physiol.* 1959;197:1021-1027.

Hatfield WB, Davidoff E, Ross JE, Tapley DF. The physiological disposition in the rat of the acetic and propionic acid analogues of thyroxine and triiodothyronine. *Endocrinol.* 1960;66:676-693.

Davidoff F, Korn ED. Lipids of *D. Discoideum*. Phospholipid composition and the presence of two new fatty acids: *cis*, *cis*-5,11-octadecadienoic and *cis*, *cis*-5,9-hexadecadienoic acid. *Biochem. Biophys. Res. Commun.* 1962;9:54-58.

Davidoff F, Korn ED. Synthesis of unsaturated fatty acids in the cellular slime mold. *Biochem. Biophys. Res. Commun.* 1962;9:44-48.

Davidoff F, Korn ED. Further studies on the biosynthesis of unsaturated fatty acids in the cellular slime mold, *D. Discoideum*. *Biochem. Biophys. Res. Commun.* 1962;9:328-333.
